## Letter from our Executive Director

Residents and families,

I don't know about you, but I am so happy to welcome Fall and the month of October. These occasional cooler temperatures have been a much-needed reprieve from all the heat. We have some really, fun things planned for October. We will be celebrating breast cancer awareness month, we will plan trips to the pumpkin patch, a Fall Festival at the end of the month, and much, much more. And of course with the cooler temps, our front porch has been full. At times, there are more people outside than inside and we love it.

We are hopeful to keep our residents healthy throughout the fall and winter. We are working to get the flu vaccine and the new COVID vaccine scheduled for those who want it. Shelly will be reaching out to families for interest for their loved ones. I am trying to be optimistic about the upcoming season and sickness. Please, please, please, pay attention to any symptoms you may have and limit visiting if you are sick. If in doubt please, wear a mask for our residents' safety.

## Continued from Jennifer

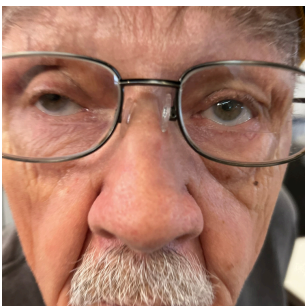

I can't let this month start without mentioning how grateful we are for good employees. On September 28th, Carla Collins retired after 24 YEARS of dedicated service to seniors. We lost one of the best employees to ever walk the halls of Stilley House. She worked for many years in the assisted living side of the house and has been in our memory care unit, most recently. This is a huge loss for Stilley House, but we are so happy for Carla and her family. She has lots of time with her grandchildren planned. We are grateful to have had her for as long as we did.

We are already planning for Thanksgiving and Christmas celebrations and will be sending out more information in the coming months. I look forward to all of these moments and can't wait to continue with all the fun things at Stilley House. It is truly a blessing to be surrounded by such a wonderful group of people each day. Each of them are special and make Stilley House a family.

Please reach out at any time if you have any questions or concerns. All the best, Jennifer Brown Executive Director
