OCTOBER 2024

In the entire circle of the year there are no days so delightful as those of a fine October
No days so calm, so tenderly solemn and with such a revergent meekness in the air.

FOREVER FIT/WELLNESS: Active Aging Week

As we once again transition from September to October, it also means it's time for Active Aging Week. In its 21st year, the week-long event highlights the need and importance of actively aging as we celebrate older adults' contributions and promote healthy lifestyles through engaging wellness programs. Each Waltonwood community will display what Active Aging means to them, and if there's anything we know active aging can look very different to different people. Starting Monday September 30th be sure to check your life enrichment and forever fit schedules for classes, programs and events that uniquely capture the many ways we all can age actively.

EXECUTIVE DIRECTOR CORNER

We appreciate your flexibility, patience and understanding through the renovation process and I think we can all see the wonderful changes to come! In the next few days renovations to the dining room area and bistro will begin which will result in changes in dining services. We will be relocating some meals and needing to provide delivery service so that the renovation crew can get in to complete all large processes as soon as possible. In addition, we have learned that the second elevator will be repaired and back in service in the near future. I hope you get the chance to enjoy the fall weather and changing of colors. ~ Angie
