## Letter from Executive Director

Dear Arcadia Residents, Family & Friends,  
Let me start by saying Happy Spring. I can't believe we are already going into the 5th month of the year. I don't know about you all, but I am looking forward to the many things that warmer weather brings. We have some beautiful outdoor spaces and I encourage you all to take advantage of these areas for friend and family visits.

Thank you to everyone that submitted nominations for the Arcadia Ambassador Award. We received many wonderful nominations. Although we could only select two, we had many people that were very deserving. Please be on the lookout for the announcement of the award celebration that we hope you can all attend. We have many exciting activities planned over the next few weeks with Cinco De Mayo, Derby, Mother's Day, and Memorial Day. I really hope you will take advantage of these events and participate. Thank you all so much for continuing to be the absolute best in all we do every day. We are just not friends, we are family.

## Resident Spotlight

# Dr. Jim Spiceland

**My time here at Arcadia has been peaceful and pleasant. Prior to my time here I have been fortunate enough to travel the world and pursue my passion of education. I was born in Detroit and decided to leave to get my undergraduate degree at Bethel University. It was there I decided to further my education and get my masters degree in Philosophy at Western Kentucky University. WKU sparked my love for Philosophy and I decided to move to England and get my Doctorate. With all my education I knew I wanted to help enrich the lives of other students. I became the Academic Dean, a Professor of Philosophy, and supervised the graduate assistants at WKU. I thoroughly enjoyed consulting the undergrads with regards to their curriculum decisions, graduate programs, and choices of their undergraduate majors. Helping to fit different personality types with career choices was very challenging, but very rewarding. I feel like I truly made an impact on my students. When I was not teaching, I was raising my two children. They went on in life to be great professionals and continue to make me proud. I have accomplished a lot in life and I am very thankful to be here at Arcadia where I feel independent and encouraged everyday.**

## Culinary Corner

We are about to kick off our Spring and Summer Menu Cycles. We have had some small group meetings and are adding some new items to the menu. We hope that this provides an improvement in your culinary experience. We encourage you all to speak with Stephanie if you have any comments or feedback regarding the meals that are being served. She cannot address any issues if she does not know about them. As we enter into Spring and Summer you will see more fresh and lighter options, while keeping our crowd favorites. We hope everyone enjoys the fresh new menu changes! We look forward to a great spring and summer!
