EMPLOYEE SPOTLIGHT: KESHA

Kesha is our associate of the month for October! She works primarily in Memory Care as a caregiver and med tech! She has been working at Waltonwood for 9 years. In March she will have been with the company for 10 years. Kesha's favorite thing about working at Waltonwood is taking care of her residents. Outside of work you will catch Kesha shopping at Hobby Lobby. She loves to travel to the beach and mountains. Something people may not know about Kesha is that she has been married for 32 years. Thank you, Kesha, for all you do! We all appreciate you!

ACTIVE AGING WEEK

As we once again transition from September to October, it also means it's time for Active Aging Week. In its 21st year, the week-long event highlights the need and importance of actively aging as we celebrate older adults' contributions and promote healthy lifestyles through engaging wellness programs. Each Waltonwood community will display what Active Aging means to them, and if there's anything we know active aging can look very different to different people. Starting Monday September 30th be sure to check your life enrichment and forever fit schedules for classes, programs and events that uniquely capture the many ways we all can age actively.

TRANSPORTATION INFORMATION

Waltonwood will provide transportation for medical appointments on Wednesdays, and Thursdays. Please notify the Concierge of your appointment as far in advance as possible with the time, date and location. After reservations are made, each resident will be advised of a departure time within 24 hours prior to each appointment. Appointments will be scheduled between the hours of 8:30 am and 3:30 pm.
