## WELCOME TO THE TEAM!

We would like to introduce Tessa; Tessa is our new Non-Medical Lead that joined our Team in September.

Hello everyone,

My name is Tessa. I'm the new Non-Medical lead caregiver. I work 50/50 in the office and in the field alongside Tabitha. I'm beyond excited to be with this amazing company, and to bring my experience to the team.

I'm looking forward to learning more and growing in my career with Transitions. I am extremely family orientated and love spending time with those I love. In my free time I enjoy reading books while drinking my coffee/tea, and spending time with my fiancé and two pups. I am always looking forward to learning something new and improving things I already know. I take pride in the things I do, especially when it comes to work. I grew up with family in the healthcare field and I followed along and loved it. I believe if you love what you do not only do you excel but it also isn't considered work.

## ACTIVITY HIGHLIGHTS

The end of September and beginning of October was a busy time as we attended 3 different Senior Fairs to help educate seniors on the services Transitions has to offer and the resources available to them.

## THE WALK TO END ALZHEIMER'S

The Transitions Team came together to support The Walk to End Alzheimer's. The weather was beautiful and the scenery in Lake Geneva was just amazing! Afterwards we all enjoyed lunch together and some much-needed non-work relaxation!
