Happy Thanksgiving to All

"What I love about Thanksgiving is that it's purely about getting together with friends or family and enjoying food. It's really for everybody, and it doesn't matter where you're from." —Daniel Humm

Sweet Potato Season

When seeking out fall flavors to enjoy in a scrumptious dessert, don't sleep on sweet potatoes! Though mashed sweet potatoes share many similarities with pureed pumpkin, subtle differences make the root vegetable a favorite for many. Because sweet potatoes are naturally sweeter than pumpkin, recipes starring the spud usually require smaller amounts of spices. Also, sweet potato pie tends to have a light, airy texture, whereas pumpkin pie is usually thick and creamy.

Memorable Melody: 'We Are Family'

It's fitting that Sister Sledge, a disco group formed by four siblings, would become best known for a song called "We Are Family." Released in 1979, the bop was written for the sisters by Bernard Edwards and Nile Rodgers, members of the band Chic. Youngest sister Kathy recorded the lead vocals in one take, and all four women can be heard harmonizing on the memorable line "Get up, everybody, and sing!" Along with celebrating literal family bonds, the song exemplifies the unifying message of disco music, where everyone is invited to come together, regardless of their backgrounds and beliefs.
