

HOME CARE PROGRAM

Assisting elders and persons with disabilities throughout Massachusetts to remain at home and in the community since 1995.

Who Is Eligible?

There is **no direct cost to the participant or the housing provider**. The program is third-party paid by the participant's healthcare plan via the GAFC program.

Program participants must meet **ALL** of the following criteria:

- 22 Years of age or older
- In need of daily assistance with personal care
- Insured and authorized by MassHealth (standard coverage) or a PRS contracted SCO or One Care managed care plan
- Approved by their physician for personal care services

Our Goal

We aim to assist program participants in remaining in their homes and community for as long as possible.

Services are customized to meet the needs of each individual & include:

- daily personal care
- comprehensive care management
- well visit nursing services

Other services may include:

- housekeeping
- laundry
- grocery shopping
- meal preparation
- medication cueing
- transportation coordination
