UPCOMING EVENT HIGHLIGHT

As we step into the holiday season, our community is alive with opportunities to share joy, connect with loved ones, and give back. December is packed with events that embody the true spirit of the holidays, and we can't wait to celebrate it with you.

This month, our Kindness Council is partnering with Gleaners to host a canned food drive. Let's spread the kindness to families in need. Donations will be collected throughout December- give donations to Mallory or to the concierge at the front desk. Join us December 9th as our talented independent living friends present a delightful winter concert. Please help us celebrate the season at our annual Home for the Holidays events on December 12th. We will be enjoying holiday treats, hot cocoa as well as making Christmas cards for the troops. Let's gather with loved ones for a special Christmas meal on December 21st. Let's finish the month off strong and end 2024 in style! Join us on December 31st for an afternoon of fun, music and cheer as we ring in the new year together. Please RSVP by the 16th.

This holiday season is about creating cherished memories and spreading kindness. Thank you for being a part of our wonderful community. Let's make this a December a one for the books!

FOREVER FIT: Navigating the Holidays

The holidays are a wonderful time of the year filled with friends, family and gatherings. It's also a very stressful time packed with events and obligations that pull you from your current routine and into a space that can feel completely overwhelming. So, take this as gentle reminder that the holiday stress is normal and OK, in fact use this opportunity to acknowledge it and find positive ways to work through it. How we manage this stress directly impacts how our bodies and minds feel in the weeks to come. When your day starts to get too stressful try these simple tips to help you navigate the hectic holiday season: meditation, breathing exercises, exercise, eliminating stressors, aromatherapy, healthy diet, and hugging someone.
