Enjoy job security & earning potential in assisted living (CBRF)

 **The Residences**
ON FOREST LANE

RA

RESIDENT ASSISTANT

An essential, entry level caregiver that provides conversation, companionship & basic assistance with daily tasks of living like dressing, hygiene, eating, etc.

CNA

CERTIFIED NURSING ASST

CNAs provide higher level of care to residents & patients. They take vitals, help with activities of daily living, chart, and support the nursing staff. Certification takes about 4-6 weeks including clinicals.

CBRF Admin

ASSISTED LIVING (CBRF) ADMINISTRATOR

Many experienced CNAs become assisted living home administrator. Additional courser are required for this highly responsible management position that offers excellent job growth.

LPN

LICENSED PRACTICAL NURSE

In nursing homes, home health agencies and hospitals, LPNs supervise CNAs and provide nursing care to residents & patients. Education and clinicals take about 12-18 months to attain LPN.

RN

REGISTERED NURSE

In nursing homes, home health agencies and hospitals, RNs provides resident and patient care by administering meds, performing assessments & treatments and coordinating with doctors. An associate degree takes about 2 years; a bachelor's, 4 years.

DON

DIRECTOR OF NURSING

A DON is a registered nurse who oversees, develops and leads a nursing team, manages patient care, ensures regulatory compliance and builds partnerships within the health care community.
