

Letter From The Administrator

I am writing to notify you of my resignation as Care Coordinator at Wellington Place at Whiting.

The decision to resign has not been an easy one, as I have been deeply committed to my job for over six years. However, unforeseen circumstances have come up outside of work that require my undivided attention making it difficult for me to maintain the level of commitment that the wonderful residents here deserve.

I am so grateful for all the time I've spent here and everything that I have learned from working at one of the very best facilities around. I cannot put into words how meaningful my time here was. The residents and families I have encountered throughout the years have been amazing, and truly feel like part of my family. I really have no words, it's just a feeling of love and compassion.

I am committed to making sure that this will be an easy transition for everyone, including assisting with training and supporting the next Care Coordinator. All of the management and staff here are great, and passionate about the wonderful care they provide.

I fully appreciate all of the support, knowledge, and experience that was given to me from Wellington Place at Whiting. It has been a pleasure working here, and I know I will think of here often with a smile on my face.

Andrea Thorstad

What is a New Year's resolution?

Something that goes in one year and out the other. All jokes aside now. Happy New Year Everyone! I hope that the holidays have treated everyone well. It's always a busy time of year for everyone. As for the staff and residents we have had a great ending to 2024 and welcomed 2025 with an open mind and excitement for what comes next! We are excited to have everyone attend our Holiday Party on January 18th. We can't wait to celebrate with our Wellington Family! As for the

past month, we have had a lot going on with decorating, new games, lots of music and of course crafts. Our Disney Trivia also turned out to be a lot of fun. The residents loved making team names and using their knowledge of Disney Movies to try and get that top score! Loras was our big winner, but everyone had lots of fun and laughs! At the end of the day what else could we all ask for? I'm looking forward to seeing everyone at the Holiday Party! Let's see what new things I can come up with for 2025!
