Letter from our Executive Director

Residents and families,
Can you believe it...it is 2025? Where did 2024 go? What a year it has been, we've had a lot of ups and a few downs, but I always try to focus on the positives versus the negatives. We have persevered through the hard times and relished in the good times. I am so proud to lead this amazing group of people and to serve these wonderful residents and families. We will approach this brand, new year with hopes of good health, hopes of happy times, and hopes of a year full of new adventures. I wish you all a happy new year and look forward to what 2025 will bring. As we enter 2025, please continue to be cautious and postpone a visit to our community if you are experiencing any kind of sickness. It is our hope to keep our staff and residents well
