EXECUTIVE DIRECTOR CORNER

We have made it to 2025 it is going to be a fabulous year!! As I reflect on 2024, I am very grateful for so many wonderful things. The year kicked off with the newly returned resident survey where there was an opportunity to hear from residents and families on their experience at Carriage Park. It allowed us to set goals to enhance programming and services. We made it through several months of the renovation project that created a beautiful environment for all. We enjoyed several life enrichment activities that brought smiles throughout the community and created memories that will be with us forever. This New Year's Eve I will be toasting to the loving residents, family, staff, support services and vendors that all come together to create an amazing Waltonwood Family. Cheers to 2025 ~ Angie

Better With a Buddy An Open Invitation! As another hectic holiday season slowly fades, we once again find ourselves transitioning back into those routine that we're use too. Sometimes that's a much-welcomed occurrence, while other times it becomes a dull and uninspiring way to spend the winter months. This January I'd like to extend you an open invitation. An opportunity to kick start your daily routine by improving the way you move, think and feel. Consider this your personal invitation to join our Forever Fit exercise program here at Waltonwood. Open to all residents, our exercise classes and fitness center are aimed at enhancing independence while promoting healthy lifestyles in a safe enjoyable environment. Utilizing an approach that makes exercise accessible to everyone, each of our many offerings is designed for its participants to move at a pace in which they see fit. So, this New Year give exercise a try, it just might be one of the best things you can do to keep happy and healthy in the new year.
