Lacey is a server in the Waltonwood Dining Room. She had the pleasure of serving you meals for 7 months. Her favorite food is steak. Lacey wants to go to college to become an Occupational Therapist. One day she would like to travel through Italy. She enjoys working here with her two sisters and her mother. She also enjoys talking with the residents and helping them in any way she possibly can. ## WEAR RED

This month join Waltonwood and the American Heart Association as we celebrate National Wear Red Day on Friday February 7th. Still the #1 killer of women in the US, cardiovascular disease is often an overlooked and underdiagnosed condition for tens of thousands of women. As part of American Heart Month, the special day emphasizes the need for early detection, proper diagnosis and adequate treatment in the fight against cardiovascular disease. Spreading the word on such an important cause can help ensure generations of grandmothers, mother, wives, sisters, aunts and friends can help live long healthy lives free from the effects of cardiovascular disease

## TRANSPORTATION INFORMATION

Waltonwood will provide transportation for medical appointments on Wednesdays, and Thursdays. Please notify the Concierge of your appointment as far in advance as possible with the time, date and location. After reservations are made, each resident will be advised of a departure time within 24 hours prior to each appointment. Appointments will be scheduled between the hours of 8:30 am and 3:30 pm.

## EXECUTIVE DIRECTOR CORNER

Days are getting longer! As I get ready for February to start, I look out at 5:30 and still see the sun. I am not a fan of winter nor the cold and my recent trip to Detroit confirmed that. Also, as I write we are completing the installation of our new dishwasher. Hopefully by the 31st we will have it up and fully operational. I do want to take a few minutes and ask that you complete our surveys that you will be receiving. They give us a good idea on what we are doing well and as let us know if there are any areas we can improve upon. Please complete as they give us valuable feedback. We have several fun events planned for February. World Kindness Week starts on the 17th. We will have a fancier dinner and a little more pizzazz for Valentine's Day. Other events - Be on the lookout for a Big Red Bus parked in our parking lot Friday, February 7th. We will be hosting a blood drive. Also, on the 7th its Wear Red Day for Heart Health. Crazy Animals will be coming on the 12th as Exotic Encounters brings animals for us to see.
