Letter from the Executive Director

February means we are one month closer to Spring. I feel confident that everyone feels the same as I do about getting rid of the winter we have had so far. I am also excited about some upcoming changes coming up at RobinBrooke.

We will be transitioning our current in house TV provider to Groove TV at the end of February. This will allow residents easier use of television to access regular cable and streaming platforms with one remote control.

We will be working with Select Rehab to provide outpatient rehab services in our exercise room to anyone with a need.

Also, Angela Clater APRN is now available to treat residents at RobinBrooke through her new employer, Curana Health.

Both Select Rehab and Curana Health will be presenting their services at a resident and family meeting on Tuesday, February 11 at 2:00 pm in the dining room. Curana and Select Rehab will be billed by the respective organizations to your Medicare or managed care insurance.

And lastly, we expect to start medication administration in the month of February in our Open Arms Memory Care Neighborhood. Thank you again for your patience with this matter. We will work with families in Open Arms individually on this transition.

We are looking forward to these positive changes so we can better serve everyone at RobinBrooke.
