BRINGING **QUALITY CARE** TO YOU  
HOME HEALTH CARE SERVING CENTRAL WISCONSIN

## Letter From Administrator

In 2024, our Home Health team had the privilege of caring for 221 patients within our communities, delivering skilled medical services to support their health and well-being. Additionally, our Non-Medical Caregivers provided essential daily assistance and companionship to 37 patients, helping them maintain their independence and quality of life. As we continue into 2025, we remain committed to enhancing our services, reaching even more individuals in need, and continuing to be a trusted source of compassionate care.

Thank you to our incredible caregivers, staff, and the families who entrust us with their care. Here's to a new year of health, hope, and heartfelt service!

*Nicole, Administrator*

## Staff Spotlight

We had a special visitor recently stop by the office and wanted to share a Baby update with you all! Maddy's little one, Samuel, turned 9 months old in February! This happy boy is all smiles all day long. Recently, he went on his very first road trip and airplane ride with Mom and Dad, making precious memories along the way. We're lucky to have Samuel stop by the office for special visits, brightening everyone's day with that cute grin. Maddy is a valued Home Health Aide on our team, and we're grateful that she shares these moments with us!
