Letter from the Executive Director

2025 has brought about a lot of changes at RobinBrooke which I feel have all been positive with the exception of the unfortunate winter we have had. Let's hope that is behind us as March brings in the Spring season.

***Spring is around
the corner!***

We have added the nurse practitioner for Curana Health and also the services for Groove TV. In mid to late March we will be adding Select Rehab to provide outpatient services to those in need. March 18 we will be transitioning to the Dementia Care (Basic Health) model in our Open Arms Neighborhood, so medication administration will begin in that neighborhood.

We do have one change that is coming up that I must pass along with mixed emotions. Deb Sellers, Director of Resident Care and Wellness, will be retiring May 30. We will certainly miss her expertise and kindness that she brings to RobinBrooke every day. While we will miss seeing her every day, we are also happy for her and excited to hear about all the adventures and travelling she is planning.

Cindy and Deanna will be switching areas of the community March 1. Please share activity ideas for their respective areas with them. We are hoping the weather improves, so we can plan more outings.
