WISH List: Help Us Prepare for Warm Weather!

As the weather warms up, we're preparing for a beautiful season ahead. To keep our outdoor spaces vibrant and welcoming, we're seeking donations to support our feathered friends and planters. Specifically, we need bird seeds to keep our birds happy and healthy, and seeds for our planters to plant colorful flowers and greenery.

Additionally, we welcome donations of gardening tools to maintain our outdoor spaces and volunteers to lend a hand with planting, weeding, and other tasks. Every donation, big or small, brings us closer to our goal. Thank you for considering a gift to support our outdoor spaces!

What did the April calendar say to the May calendar?

"You're a-maize-ing!"

March Highlights

Our Resident Council met in March, where we welcomed a new President and Vice President. Residents also voted on the Meal of the Month for April. In March, we enjoyed our Meal of the Month, Reubens, while watching the classic film "The Quiet Man" on the big screen in the cafeteria.

Resident of the Month

Meet James A., our Resident of the Month! Originally from Paris, IL, James loves living in our community, where he can enjoy a variety of daily activities. In his free time, you can find James coloring, shooting pool, fishing, or playing poker and euchre. What makes James' story truly unique is that he has undergone three eye surgeries, including a remarkable corneal transplant from a 9-year-old donor. James is now looking forward to some exciting adventures in the upcoming months, including a trip to the casino and a possible vacation.

Online Review for Reprint

Staff is great. They are concerned about your care. The facility has great decor and kept clean. PT department staff is super as well! A lot of friendly people there. I was there for a month for rehab...had back surgery. So glad we chose this Center. Home - town care.
