## What people are saying:

*"Anyone considering Chestnut Knoll absolutely should. The people here are kind, friendly, and great at what they do."*

– Barbara

*"Chestnut Knoll has been amazing for our mother! She has her own room and privacy, yet caregivers are close by if needed. At first, she needed physical therapy, and therapists provided therapy specific to her. She is now independent though continues to exercise regularly. The community inside, with both caregivers and residents, has an amazing connection that you will want your loved one to be a part of."*

– Debra

*"I would highly recommend Chestnut Knoll. It was a difficult decision to place my husband, and I am so glad I chose this community! What a lovely place with a fantastic staff!"*

– Diane

*"My mom has a new lease on life. She has friends and she does more at Chestnut Knoll than ever before. If you're thinking of having a loved one placed in a safe assisted living community, I recommend Chestnut Knoll."*

– John

*"The staff members at Chestnut Knoll are loving, compassionate, and patient. I feel confident knowing my loved one is getting the best care possible."*
