## Letter from the Executive Director

Spring is finally officially here! We have had a busy first few months of 2025 at RobinBrooke. We have had winter weather, storms, technology transition, new partners with Curana Health and Select Rehab, and new residents and staff to join our family.

We have officially transitioned to medication administration on our Open Arms/Memory Care Neighborhood and we are happy to say that is going well. There has been no date set for the transition to the Basic Health Model throughout the community.

We also have some other changes. Cindy Kennedy is now leading activities in the assisted living neighborhood and Deanna Garvin is now leading activities on our Open Arms Neighborhood. With the warmer weather please be on the lookout for more outings.

Many of you may already know that on May 30, Deb Sellers will be retiring from her position as Director of Resident Care and Wellness. We will certainly miss Deb's expertise, leadership and friendship. A new Director of Resident Care and Wellness, Dana Simpson, will start training with Deb in May and she certainly has big shoes to fill. We are fortunate that Dana is currently working in the same role for another senior living community which will make for a smooth transition.

## Executive Director continued...

On a lighter note, there was a lot of fun in March with the NCAA tournament. I have enjoyed the banter between UK, Louisville and Tennessee fans as well as fans of other teams. Of course I have to mention the recent fame of one of our centenarians having a birthday in April. He and many of our residents became facebook and news celebrities which created a lot of buzz and excitement around the community with residents, families and staff.

Thank you all for your patience through these transitions to increase the services we are able to provide here at RobinBrooke.
