## Letter from Executive Director

Dear Arcadia Residents, Family & Friends,

Let me start by saying Happy Spring. I can't believe we are already going into the 4th month of 2025. April is a month of hope and awakening, exploding with bright new beginnings. It's a time to admire the majesty and quirkiness of Mother Nature. I don't know about you all, but I am looking forward to the many things that warmer weather brings. We have some beautiful outdoor spaces, and I encourage you all to take advantage of these areas for friends and family visits. Be on the lookout for a refresh to our front porch area.

We have many exciting activities planned over the next few weeks with Easter being the big holiday this month happening on April 20th. We have some great activities planned that we hope you will enjoy yourself with your families.

Thank you to everyone that submitted nominations for the Arcadia Ambassador Award for 1st quarter of 2025. We received many wonderful nominations. Although we could only select two, we had many people that were deserving. Please be on the lookout for the announcement of the awards celebration that we hope you can all attend.

Thank you all so much for continuing to be the absolute best. We are just not friends, we are family.

# Bill Wright

I am Billy E. Wright, I was born on July 25, 1929, in Loma Linda California (Southern California). I had one older brother. We grew up and went to school in Colton California and Graduated High school in 1947, then went on to attend San Bernadino Valley College.

In 1949, I joined the Navy and became an Electrician Mate on Treasure Island in San Francisco Bay. I transferred to a large sea going tug working out of SF Bay and going up and down the west coast of the United States towing ships and Barges and Rescues. During this time, I met my wonderful wife Betty Ann. We were married in Oakland, Ca. on October 1st, 1950, and started our family with our daughter Marlyce in 1951, son Mitch in 1955, and son Martyn in 1962. Our Children are the love of our lives.

I was discharged from the Navy in January 1953 and was accepted in the electrical apprentice program in Oakland CA, working on different electrical contractors in the San Francisco Bay Area. In 1954 Betty Ann and I bought our first home in Castro Valley CA. In this home we raised our children for 40 years. In 1955 I went to work with California Electric Company (Contractors) where I spent the next almost 40 years. I started as an apprentice and retired as Construction Manager in 1994.

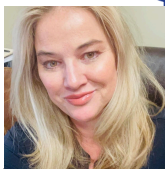

In 1994 Betty Ann and I moved into our retirement home in Roseville, California. We spent our retirement time here, I golfing and Betty Ann & I traveling & enjoying our home. Betty Ann's health had declined and the boys convinced us to move closer to one of them. In May 2021 we moved to Arcadia to be close to our oldest son Mitch and it was a very good move for us. On May 4th, 2024, Betty Ann went to be with the Lord and our daughter. Betty Ann and I were married 73 years, 10 months, and 4 days, and she is missed very much.
