FEBRUARY HIGHLIGHTS

04 Mardi Gras 17 St. Patrick’s Day

Our Mardi Gras social was a blast as we celebrated with paczki’s, shared stories of New Orleans and embraced the festive spirit!

Today we felt lucky and lively as we celebrated St. Patrick’s Day with a festive performance from our very own IL resident, Jim Hovey.

18 Read Across America 20 First Day of Spring

What a special day! We had the opportunity to go to Rosedale Elementary and read them the book “Llama Llama Red Pajama” to a kindergarten class.

Today marked the first day of spring and to get in the spirit of warm weather, we had a friendly game of putt golf.

FOREVER FIT: The Perfect Pair

A strong body starts from the ground up and choosing the right shoes is key part of keeping our feet healthy. Correctly fitting shoes can help to reduce foot, knee, hip and back pain and promote healthy circulation. Shoes with low-padded heal drops, proper arch support and wide bases with good traction can also drastically help to reduce the risk of falls. As we age it’s not uncommon for our feet to also get wider and flatter. Nearly 1/3 of seniors will suffer from chronic foot pain much of which is caused by ill fitted footwear. Having your feet accurately measured by professionals who specialize in shoes for seniors can help to ensure a well fitted shoes and feet that will feel the difference.
