I want to thank Holton, manor for such great care. That I received during my stay, the staff Really show how caring they are. I especially want to think katee 4, the care that I received from her I regret I was not able to say Goodbye to her. She had to leave her shift.. The kitchen staff and servers were very nice. Food was good. I would highly recommend this facility for anybody that needs rehab. The rehab staff really helped me out. I want to thank them. What a great team. – Tom G.

MAY THE FOURTH BE WITH YOU!

"May the Fourth," also known as Star Wars Day, has become a global celebration of the beloved franchise. This date gained popularity in recent years, thanks to the resurgence of the *Star Wars* saga. The release of the latest trilogy, starting with *The Force Awakens*, and the success of the *Mandalorian* TV series—featuring the adorable and heroic Grogu—have sparked new and renewed fandom. George Lucas introduced the Star Wars Universe in 1977, with the aim of putting a fresh spin on the sci-fi genre by blending action, adventure, and romance.

Here are some out-of-this-world factoids:

- Darth Vader was a team effort: **David Prowse (body)**, **James Earl Jones (voice)**, and **Sebastian Shaw (face)**.
- Carrie Fisher was just 19 years old when she began her iconic role as Princess Leia.
- Harrison Ford, known for playing the adventurous Han Solo and captain of the Millennium Falcon, is also a pilot in real life.

Whether you're planning a movie marathon, sharing some galactic trivia, or attending a local event or exhibit, don't forget to say, "**May the Fourth Be With You!**" on Star Wars Day, and "**Beware! Revenge of the Fifth!**"—a playful nod to May 5th, the day that follows, where fans continue the celebration of all things *Star Wars*!
