BRINGING **QUALITY CARE** TO YOU  
HOME HEALTH CARE SERVING CENTRAL WISCONSIN

## Team Building Highlights

While our team communicates daily, it's rare that we get to see each other in person! That's why we make it a priority to come together at least once a month for team bonding and staff education. These in-person meetings not only keep us up to date on the latest care practices but also give us the chance to connect, share experiences, and support one another. Strengthening our team dynamic helps build trust, improve communication, and ensure we continue delivering the highest quality care to our patients—together.

## Staff Spotlight

Amber W., COTA

We celebrated National OT Month in April and the incredible work of Courtney, OT and Amber, COTA! Their dedication, compassion, and expertise make a lasting impact on the lives of our patients every day. We're so grateful to have such a talented duo on our home health team—thank you both for all you do!

Occupational therapy in home health focuses on helping patients regain independence and improve their ability to perform everyday tasks in the comfort of their own homes. Whether it's recovering from an illness, injury, or managing a chronic condition. OT helps patients build strength, adapt their environment, and develop practical strategies to safely and confidently navigate daily life.

Courtney D., OT

## HELPING SENIORS STAY SAFELY AT HOME

Our dedicated nurses, therapists, home health aides, and personal caregivers provide quality, trusted care at home. Many home health services are covered by **Medicare, VA benefits** or other insurance. Affordable non-medical personal care, offering conversation, companionship and assistance with daily tasks, may also be covered by **VA benefits** - helping you or a loved one live confidently at home.

## Celebrating our Nurses

May is National Nurses Month, and we're proud to celebrate the outstanding work of our home health nurses! These compassionate professionals bring skilled care right to the homes of our patients, helping them heal, stay safe, and maintain their independence. Whether it's managing medications, providing education, providing treatments, or offering a listening ear, our nurses go above and beyond every day. We're grateful for all they do to support our patients, families, and the entire community! Brandi, Liz, Jodi, Sara, & Sue, thank you for all you do!
