## Letter from our Executive Director

Hello residents and families,  
Happy May and Happy Spring. I hope each of you are enjoying this beautiful weather we have been having. I have really loved seeing the residents out my window sitting on the porch each day. And also, all the fun they have been having with activities and outings. I think that the residents who attended really enjoyed the Tater Day festivities, even with the chill in the air. I know Paula has some really great things planned for May and I cannot wait to join in the fun. We are really looking forward to our Mother's Day Tea and hope that you all can join us. Please remember to RSVP so we are fully prepared. We want this to be a great afternoon for all our ladies and their families.

Since we have so many new residents, I wanted to address a few housekeeping items. Families and loved ones are always welcome to join us for activities, outings, or for lunch bunch. Families are not able to ride our bus for insurance purposes, but anyone can meet us for outings or lunch. Just let Paula know and we will save you a seat. For anyone who is out of the

building after dinner, if you return and the door is locked, just ring the doorbell and our staff will come and open the door. Speaking of locking the doors, we typically lock the doors at dark so that time will vary as we get closer to summer. And on nights and weekends, if you are going out or family is taking a loved one out of the building, please let a staff member know. You can always push your pendant and a staff member will come to the room and you can let them know.

Thank you for your ongoing support of Stilley House, we are truly a family here and as they say "it takes a village." I don't know about you, but I think our family and "village" are pretty great! I know I am blessed because I get to spend my days with the people at Stilley House.

All the best,  
Jennifer

## Announcing our Newest Arcadia Ambassadors

**Congratulations to our newest Arcadia Ambassadors - Shelly and Cynthia!!**

*Shelly Clampet,  
Director of Resident  
Care and Wellness*

*Cynthia Burris,  
Resident Care  
Specialist*

Shelly serves our residents and our community with compassion, kindness, and sometimes the fierceness of a mama bear. She leads her team to understand the importance of what our purpose is - putting residents first.

Cynthia is always very sweet, kind, and caring to our residents. She typically works midnights but we often find her here well after her shift has ended. She will clock out and stay and visit with residents. She is always mindful of responsibilities and doing it right.

**We are so proud of these two outstanding caregivers!**

## Annual Mother's Day Tea
