*"Try to be a rainbow in
someone else's cloud."*

The month of May is symbolized with the Lily of the Valley and the Emerald as the birthstone. It is interesting to know that the Lily of the Valley is associated with purity, innocence, and a "return to happiness." The Emerald symbolizes love, success, and the beauty of spring greenery. We were so blessed with the wonderful weather and that new spring greenery for our Easter Egg Hunt on April 19th. It was such a fun time for all of those who were able to join us. The countless smiles and laughter that was constantly heard was amazing. We definitely will do it again next year.

On May 12th we will have a guest speaker at the community to address the concerns and many types of scams that are occurring around us. Officer John Matos with the Clarksville Police Department will be presenting. We recently have had a couple of concerns within our community that have involved our residents, not to mention the many emails that we as staff are receiving on a weekly basis. In brief, until the presentation on May 12th, please do not respond or even open any emails if you are unfamiliar with the sender. Please do not respond to or open any text messages on your phone if you do not know who the sender is. Do not answer any phone calls if you do not know who the caller is, but more importantly if you answer a call do not give any caller any of your personal information over the phone. Do not even say "yes" to anyone over the phone if they are trying to send you something for "free" or tell you they have a "special offer." Officer Matos will have so much information to share along with details. Again, please join us on Monday, May 12th at 1 pm in the dining room. Family members are invited as well so please let them know about this special presentation.

A big thank you goes out to all the Arcadia residents and staff for making Arcadia Clarksville an amazing community to be a part of.

April Activities Captured

This month presented us with several challenges to include floods and tornado warnings; nonetheless, we still enjoyed ourselves while prioritizing safety.

We celebrated a remarkable 98th birthday and held our annual Easter Egg Hunt, where we offered over 20 golden egg prizes and hid almost 900 eggs! A heartfelt thank you to all our third-party providers who generously donated baskets. We look forward to what next year has in store. Be sure to visit our Facebook page for updates and photos.
