I AM FIGHTING ALZHEIMER'S ON THE LONGEST DAY.®

Bell Tower Residence is hosting our annual Longest Day Fundraiser on June 20th from 10:00-2:00 pm. We invite all of our staff, families, friends and members of the community to participate in our Lemonade Stand.

With your support, we're not only funding critical research and care initiatives, but also bringing hope to families and individuals affected by this heartbreaking disease. Every dollar you give is a step toward a future with better treatments and greater understanding. Thank you for standing with us in this important cause—you are truly making a difference.

A Bouquet of Community News

May baskets. A faded tradition that started centuries ago, where baskets of flowers were hung on doors to chase away the bitter cold and welcome the arrival of Spring. As the weather begins to warm, and we hope for green buds to be soon on the trees, we offer our own collection of “may flowers” to warm your day.

May you be surrounded by people who love you.

May you see good in every day.

May your laughter be greater than your tears.

May you know passion and purpose.

May you have what you need.

May you know that you've made a difference.

Bell Tower Residence wishes all of our staff, volunteers, residents, families and friends a happy May. May the crops grow well and the days be bright as we celebrate life at Bell Tower.

A message from our Chaplains:

Easter Blessings to you all! The month of May ushers in a little more hope for warmer weather on the horizon. Welcome month of May! Just reading the word “May” made me think about the things that we can pray for in our prayers. Maybe since Easter Sunday has come and gone and many churches continue to celebrate in the Season after Easter, it can be a time of deep contemplation and prayer. So, may I ask you?

May I ask you to pray for your chaplains and your pastors?

May I ask you to pray for yourselves as well? Connect yourself to God so that you can gain strength in the Lord.

May I ask you to pray for the staff at Bell Tower, that they may have strength and grace to continue to serve in their vocation

May I ask you to pray for your family? Maybe you have heard from them recently, or not, but keeping them in prayer may be the thing that they need?

May I ask you to see the good in the people around you?

May I ask you to be willing and open to the new things that God is placing in our midst?
