Letter from Executive Director

Dear Arcadia Residents, Family & Friends,

Let me start by saying Happy Spring. I can't believe we are already going into the 5th month of 2025. I don't know about you all, but I am looking very forward to the many things that warmer weather brings. We have some beautiful outdoor spaces, and I encourage you all to take advantage of these areas for friend and family visits.

Thank you to everyone that submitted nominations for the Arcadia Ambassador Award. We received many wonderful nominations. Although we could only select two, we had many people that were deserving. Please make plans to attend the Ambassador Celebration on May 8th at 2:00 pm in the Fountain Square Bistro.

We have many exciting activities planned over the next few weeks with Cinco De Mayo kicking off the month on May 5th, Derby Day on May 2nd, Mother's Day on May 11th and Memorial Day on May 26th. I really hope you will take advantage of these events and participate.

Thank you all so much for continuing to be the absolute best in all we do every day. We are not just friends, we are family.

1st Quarter Ambassadors

Join us as we celebrate our 2025 First Quarter Ambassadors on May 8th at 2:00 PM in the Dining Room.

This is a special occasion to honor team members who have gone above and beyond—those who've truly made a difference and left a lasting impression.

Margaret Bobbett

My story starts in Sebring Florida in February 1943, at MacDill air force base. My dad was a mechanic stationed at the base during World War II. I had a brother and sister added to our family making it complete.

I spent a lot of my childhood moving around, until I wound up in Kentucky, but the one place I always called home is Cajun County: Louisiana and Mississippi, where all my mother's family lived. What wonderful memories!

After graduation from Christian County High school, my family moved to Bowling Green. I got a job at the county hospital, located on "Hospital Hill," I met my husband there and we married in 1961. We had two wonderful daughters. I lived a free life until his death in 2021.

Most of my life I worked in a bank and to this day I balance my check book to the penny.

Raymond and I farmed a number of years raising cattle, hogs and row cropped until he got hurt and we had to give up and sold the farm. I went back into banking until I retired in 2009.

I had a serious accident in December 2024 that broke my back, which is what led me to Arcadia.

I have enjoyed meeting and making new friends here. The staff has made me feel at home, getting my cleaning and meals (with sweet tea) for me is a real treat. The activities are great too.

I have a cat named Maggie who likes it here too, if I haven't told you about her yet I will.
