## Easter at Regency on Whidbey

Regency on Whidbey Residents found many ways to celebrate the Easter Holiday this year. In Assisted Living, Residents had two days of Easter Crafts. At one, they were able to create an Easter decoration for their living space utilizing cute wood cut-outs from the Dollar Store. The following week, Residents were encouraged to take a stroll down Memory Lane by dyeing Easter Eggs, however this year we used plastic eggs instead of hard-boiled. On Easter Sunday, Residents in both

Assisted Living and Memory Care were treated to a special Easter meal prepared by our extraordinary Dietary Staff. This was the first holiday since 2020 where family and friends were invited to join Residents in the Dining Room and we look forward to more in the future. Memory Care Residents had a festive Easter photo shoot in addition to their meal. We concluded the festivities on Easter Monday with our annual Resident Easter Egg Hunt, where Assisted Living Residents searched for nearly 300 eggs filled with sweet treats. Two Residents found the coveted golden eggs which contained a little spending cash.

We had a wonderful Easter Season at Regency on Whidbey, and we hope you did as well.

Regency on Whidbey would like to congratulate, Anne Hofferth on her upcoming retirement.

Anne grew up in Southern California, and graduated with a Masters in Gerontology from Cal State Fullerton. When asked why she chose Gerontology,

Anne stated that she had "volunteered at a skilled nursing facility when she was thirteen, and loved it." After college, Anne ran an Adult Day Care for the YMCA in California.

Later, Anne and her husband, Tim, would move to Anacortes to be near his family. After a brief time in retail, Anne was hired as an Office Manager for the soon-to-open Chandler Square. She would later be hired to help open another new community, as Office Manager of the LaConner Retirement Inn.

On April 3rd 2003, Anne was hired at Regency on Whidbey. She began her 22 years of service as the Front Desk Receptionist. Her next position would be as the Activity Director for both Assisted Living and Memory Care. Finally, Anne took the position of Administrative Assistant before becoming the Human Resources Director about 10 years ago.

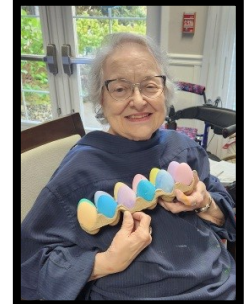

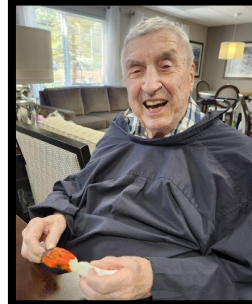

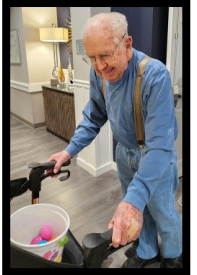

Anne is unsure what retirement will look like. She wants to catch-up on her scrapbooking and hopes to do some traveling with Tim. One thing she is sure of, she will miss our Residents and Staff terribly.

Please join us in thanking Anne for her many years of service.  
**Happy Retirement, Anne!!**
