Facility News:

Please help me in welcoming Alyssa to our Holton team. She is our new assistant administrator. Here is a little bit of info about her:

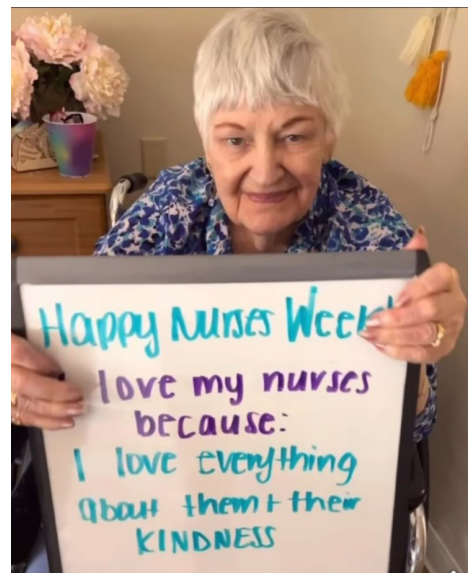

"I graduated in 2020 from UW-Stevens Point with a bachelor's in healthcare administration. I recently moved back down here from Stevens Point to be closer to my family. I have one dog named Ace, and another puppy coming next week. I enjoy Brewer games and spending time outside. I've worked in Longterm care for 8 years. I look forward to getting to know all of you and the residents of Holton."

Testimonial

The Friday before easter I was admitted to Lakeland hospital with covid. On Tuesday I was transferred to Holton Manor. At that time, I was unable to stand or walk. Therapy worked with me every day and now I can do better than I did before. Josh even sang a Cappella "HAPPY BIRTHDAY" to me which made my day. I got a special birthday cupcake I received from the CNAs. All the CNAs were very attentive and did a wonderful job. CNA Mikaela was so delightful she always had a great smile every morning and was very helpful. I also enjoyed the dogs which went around to visit and really enjoyed when Ava the volunteer stopped in to visit with her dogs.

After Living in Elkhorn all my life and driving by there so many times and never knowing the exceptional care they provided, I would definitely recommend Holton. Without the therapy, I would not have been able to go home as soon as I did. They really care about their patients.

Without the care I received at Holton I would not have returned home so quickly. Thank you So Much for the Assistance!

Happy Father's Day: June 15

Be sure to take a moment on Sunday, June 15 to honor dads, foster fathers, grandfathers, uncles and the other important male role models in your life.

Let him know how much he means to you by calling, texting, or visiting. Take him to dinner, nine holes of golf, fishing, or to a movie and spend the day together. Send a card or small gift to show your love and appreciation. It is sure to brighten his day.
