Hello June!

A Month of New Life and Blossoms

Dear Residents, Families, and Friends,

June marks the start of summer in the Northern Hemisphere, bringing longer days, warmer weather, and a sense of renewal and activity. It's a month often associated with celebrations, from graduations and weddings to Pride Month and Father's Day. In nature, flowers are in full bloom, and schools begin to let out, making it a popular time for vacations and outdoor gatherings. June is also a time to set fresh intentions for the second half of the year and to enjoy the energy that mid-year brings.

ASSOCIATE SPOTLIGHT:

KiKi Nix

This fall, KiKi will be celebrating seven years as a valued team member at Waltonwood. Over the years, her favorite part of the job has remained the same: assisting residents and hearing the unique and wonderful stories they share. Originally from the West Coast, KiKi is a proud parent of three daughters and a grandparent to six grandchildren. Outside of work, she enjoys attending hockey games, crocheting, and reading. KiKi’s current favorite TV show is Mob Land, and Ever After holds the top spot as her favorite movie. Waltonwood has truly become a second home for KiKi. She feels grateful to be part of a team filled with dedicated, hardworking individuals and deeply value the bonds she has formed with both coworkers and residents.

FOREVER FIT: FOCUS ON FITNESS

Proper Posture

A common concern for many seniors is age related changes in posture that many older individuals often experience. While bone loss, disk shrinkage and muscle loss are all common causes for changes in stature, small changes can help improve and, in some cases, reverse the effects of unwanted postural changes. If you’re one of the many seniors currently experiencing an age-related symptom related to improper posture keep these tips in mind to improve the way you move and feel.

- Regular exercise with a focus on core strength including the abdominal, low back, hip and pelvic muscles can greatly improve postural health.
- Talk to your doctor about calcium and vitamin D supplementation to help with bone health.
- Practice better postural habits throughout the day. If you use a walking be sure it’s set to the correct height to minimize hunching. If you sit for longs periods, get up regularly and take breaks. A more mindful approach can dramatically help your overall health.

JUNETEENTH

Honoring Juneteenth: A Celebration of Freedom

Juneteenth, observed on June 19th, marks a pivotal moment in American history—the day in 1865 when the last enslaved African Americans in Galveston, Texas were informed of their freedom, over two years after the Emancipation Proclamation was signed. Today, Juneteenth is a time to celebrate African American culture, reflect on the struggles and achievements of Black communities, and reaffirm our commitment to justice and equality. As we honor this important day, we encourage everyone to learn more about its history and engage in meaningful conversations and community events that promote unity and understanding.

EXECUTIVE DIRECTOR CORNER

Dear Residents and Families,

As we step into June, we enter a season of growth, reflection, and renewed energy. This month brings with it the promise of summer, a time to celebrate progress and prepare for the opportunities ahead. June is also a moment to recognize important milestones—Pride Month reminds us of the value of inclusion and equity, while Father’s Day and graduation season offer chances to honor personal achievements and relationships. As we approach the midpoint of the year, I encourage us all to pause, assess our goals, and refocus our efforts to ensure a strong and purposeful second half of the year.
