## Letter from our Executive Director

Residents and Families,

Happy June and welcome to summer. May was a great month as we celebrated Mother's Day with a wonderful tea. Thank you to all those who were able to come, we had a great turnout, and I saw lots of smiling faces that afternoon. And thank you to our staff who always go above and beyond to create special moments for our residents and families. We are looking forward to Father's Day this month and celebrating all the men in our community. We also celebrated Memorial Day, and May brought us lots of porch time, as well. This truly is one of my most favorite times of the year when residents spend more time outside than inside. The front porch and the garden are popular spots. The sun, the breeze, the vitamin D are all so good for them. Our day trips to Paris, Tennessee and to Patti's and Grand Rivers were a huge success. And Paula has some really fun things planned for June and the rest of the summer. Please feel free to join us or bring the grandkids when you see something on the calendar that the whole family can enjoy.

## Update: Change to Medical Model

Hello Stilley families!

I am excited to give you all an update on our Medical Model change-over. As of right now we will officially be medical on July 1, but only in our Open Arms Memory Care. *The Assisted Living portion of the community will remain a social model for now*, meaning no changes to how we currently operate.

Open Arms Memory Care families, you should have received a letter from me in the first week of May. If you did not receive a letter, please reach out to me ASAP, as there are things I must have from you to make this transition happen, and time is of the essence.

Thank you all for your cooperation as we work hard to make this change as smooth as possible for everyone. Please don't hesitate to reach out to me with any questions or concerns you may have.

Thank you,  
Shelly Clampet, LPN  
Director of Resident Care and Wellness
