Letter from Executive Director

Dear Arcadia Residents, Family & Friends,

It is my sincere wishes that this letter finds you all well and in good spirits. I cannot believe we are almost halfway through 2025. Time flies by when you are having fun and surrounded by amazing people.

June is National Dairy Month. National Dairy Month is a great way to start the summer off with some nutrient rich dairy foods. Ice cream, cheese, and frozen yogurt to name just a few. Keep an eye out for our fundraiser happening on June 20th as we celebrate the longest day of the year. We have a full calendar this month and I hope that everyone takes advantage of it and participates.

This year we will partner with locally owned and operated Grant Farms to be able to provide you with fresh fruits and vegetables as soon as they come into season. June is the perfect month to really enjoy some of our fabulous outdoor spaces.

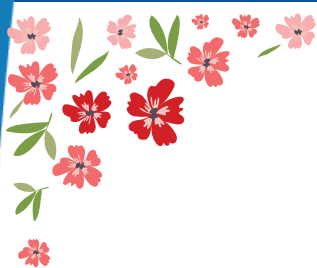

Please remember to nominate your favorite staff for the Arcadia Ambassador Program as June closes out the second quarter of the year.

Wonder what it would be like to live in a world where it was always June?
L.M. Montgomery.

Thanks, Candie Gray, Executive Director

Resident Spotlight

Joan Creek

One Sunday morning in a two-story house on the corner of Broadway and Highstreet a baby girl was born. I had a half-sister that was all the children that my parents had. My dad worked for 5 cents an hour. When I was eight years old, we moved into the country. My great grandfather had a farm and needed our help. So, we moved there to help him. Later my dad built a mill where farmers could get feed ground for their animals.

I married very young. Had my family young. We had two girls and a boy. We moved around quite a lot as my husband was a meat salesman. The company would send him somewhere else to open a new territory.

In 1960 we came back to Ky. My husband and I started a Construction Company . I-65 cut our farm in half, that would get us in the business. He had a heart attack in 1988 and passed away. I was single for twenty-one years and met Owen Sims. We married in 2009. We were married for about 6 years before he died.

I came to Arcadia in 2019 and have been very happy here. Made a lot of new friends. The staff all are good to you, and we have lots of activities and good times.
