## ASSOCIATE SPOTLIGHT- AARON MACK

Aaron Mack is our friendly and helpful afternoon concierge. He has worked at WTO for 8 months. He really enjoys talking to our residents and thinks they're funny. He feels that the management team is always appreciative.

Aaron is a hardworking guy who holds two jobs. He is recently engaged and has a daughter and another one on the way. He grew up in Redford and went to Thurston High School.

He is a huge basketball fan and loves the Pistons. He enjoys playing video games, like Call of Duty and is a fan of Sci-Fi movies. He also has a dog named Sno.

We look forward to many more years of Aaron's helpful and friendly demeanor at the concierge desk and hearing about his new little one.

## MAY HIGHLIGHTS

5 Great turn out for the **Cinco De Mayo** festivities!

8

It was unanimous, we all loved our newest entertainer, **Suzi!**

9 Our **Tea & Honey Tasting** was a huge success! So, don't be surprised if we see this on the calendar again with a few new pairings!

26

**Memorial Day & National Blueberry Cheesecake Day**  
fell on the same day this year! What a great pairing!

## FOREVER FIT – PROPER POSTURE

A common concern for many seniors is age related changes in posture that many older individuals often experience. While bone loss, disk shrinkage and muscle loss are all common causes for changes in stature, small changes can help improve and, in some cases, reverse the effects of unwanted postural changes. If you're one of the many seniors currently experiencing an age-related symptom related to improper posture keep these tips in mind to improve the way you move and feel. \*Regular exercise with a focus on core strength including the abdominal, low back, hip and pelvic muscles can greatly improve postural health. \*Talk to your doctor about calcium and vitamin D supplementation to help with bone health. \*Practice better postural habits throughout the day. If you use a walker, be sure it's set to the correct height to minimize hunching. If you sit for long periods, get up regularly and take breaks.

## EXECUTIVE DIRECTOR CORNER – Joe Whitney

I wanted to let everyone know that we are making some improvements to the community in the next coming months. We are replacing many of the outside sprinklers along with a drainage tube on the east side of the building. This should help with drainage on the property during heavy rains and winter thawing. We are going to be replacing the carport poles before winter. We are also repairing a few more roof leaks and installing new landscaping near the mall entrance. Lastly, we had all of the patios power washed over the past few weeks. We are excited to have many of these improvements taking place as it will make for a better community for our residents and families.
