JULY 2025

UPCOMING EVENT HIGHLIGHT

Join us this July for a month packed with fun, sunshine and celebration!

We are kicking things off with Independence Day- an evening filled with patriotic music, delicious food and plenty of red, white, and blue. Our calendar is also full of exciting outings this month! From trips to the Novi library for Tunes on Tuesday to trips to the pet store to gather toys for donations to local animal shelters. We are especially looking forward to ending the month with a peaceful and picturesque day at the Kenzington State Park, complete with a picnic and relaxing boat ride.

Each Friday at 2pm, we will be having a “Fruity Friday” fruit social to stay refreshed and hydrated during our hot summer days. Remember to RSVP for our next **Family Day** on July 16th at 7pm where we will be hosting the Canton Concert Band for an evening of music, memories and time spent with loved ones. Later in the month on July 23rd at 1:30pm, we will be celebrating our wonderful grandmas for **Gorgeous Grandma Day**. Join us for a one-of-a-kind fashion show where our beautiful grandmas will strut the runway dressed as iconic women throughout history.

We are so excited to celebrate the wonderful event this month and look forward to sharing the many laughs, smiles and memories along the way!

FOREVER FIT: Healthy Hydration

Healthy hydration habits are important any time of the year but they become essential during the hot, humid summer months. As we age the water content in our bodies naturally decreases, our sensation of thirst diminishes and the side effects of certain medications can greatly increase the risk for serious dehydration in seniors. The good news is small changes to our daily routine can greatly improve our chances to stay healthy and hydrated in the months to come. Making sure there's always fluids nearby to drink throughout the day, eating plenty of water rich fruit and vegetables like cucumber and watermelon, and avoiding strenuous outdoor activities during the peak hours of the afternoon are simple changes that can make a major difference.
