Letter from Executive Director

Happy Summer Everyone!

Hard to believe that July is already here. June came in and went with a flurry of activity and we had a wonderful time. The summer is quickly moving along and so are we.

We will be celebrating America's birthday on Friday, July 4th. Chef Garrett will have the BBQ out and grill some ribs and chicken thighs, along with some homemade potato salad and all the fixings. Please come and join us. Make sure to let Ms. Mary know you are coming so we grill enough for everyone!

Just a quick reminder, the resident council is held every second Tuesday at 1:00pm. This is a group formed for the residents to get together monthly to discuss things they enjoy about the community and areas where we can improve. Suggestions are encouraged and discussed with the team. While we can't promise to deliver on everything, we love to hear your points of view.

If you take a stroll on the path around our building, please take note of the vegetable garden that our Director of Life Engagement, Hailie, has planted. She has put a lot of effort into it and plants are really taking off.

We will be announcing the 2nd quarter Ambassador in early August. Thank you to everyone who voted. Voting will now take place for the third quarter. Ms. Mary has the forms for you to fill out. Be sure to vote for your favorite employee!

As the community's Executive Director, I am honored to be a part of the exceptional services provided every day by our dedicated staff. It is hard to believe but I have been with Arcadia for three years already. We have experienced many changes and grown quite a bit. I am immensely proud of this place we call home!

Sincerely,
Carol Ettelson

Resident Spotlight

Janet Rumrill Janet was born on September 11, 1941, in Glens Falls, New York, and spent her early years in Fort Anne alongside her three brothers. With a father in the military, the family moved frequently around New York before eventually settling in Lowville, where Janet graduated from Lowville Academy and Central School in 1959. She later earned her degree in Health and Physical Education from Brockport State.

During her junior year of college, Janet met David Scudder, whom she married in 1962. Together, they had two children, Brett and Allison. The couple made their home in New Russia, NY, where they built a beautiful log cabin and where Janet began teaching physical education at the local school.

Years later, the family relocated to Rock Springs, Wyoming, to run a KOA campground, with Janet managing the accounting side of the business. After five years, and due to David's declining health, they sold the campground and bought a 250-acre ranch. They enjoyed three memorable years there before David sadly passed away.

Janet found love again with Burton Rumrill, whom she married in 1997. Together, they lived on the ranch for 12 years before retiring to Upstate New York. They spent winters in Homosassa, Florida, and enjoyed traveling to places like Alaska, Hawaii, and Arizona. The couple shared 21 years together before Burton's passing.

Over the years, Janet led Brownie and Girl Scout troops and enjoyed a wide variety of hobbies including reading, knitting, sewing, snowshoeing, ice skating, dancing, and playing cards.

“Gnome on the Roam”

The Gnome is still “On the Roam!” Much like “Elf/Santa on the Shelf,” we will be hiding this “Gnome” somewhere throughout the building each morning. It will not be in any personal bedrooms, bathrooms, or outside. If you so happen to find the “Gnome,” pick it up and bring it to Hailie, or the Concierge for a golden ticket! We will be hiding our “Gnome” for all holiday seasons! The Gnome pictured to the left is the only gnome we will accept. Stay tuned for more “Gnome on the Roam” updates. Good luck everyone!
