

# STUDENT RESIDENCY PROGRAM AT PILLARS

2025-2026

**The Student Residency Program at The Pillars of Prospect Park is a one of a kind program now in it's forth year. It is available for students looking for a unique intergenerational living experience.**

Use your talents and passions to curate monthly activities with older adult residents in our community while living onsite in a private, studio apartment. Enrich your educational experience with our Student Residency program.

Candidates must be enrolled at an accredited college or university during time period of residency. GPA of 3.25 or higher. Must pass background check and screening.

\*Pet policy applies.

## STUDENT RESIDENTS WILL ENJOY:

- Easy access to light rail and metro transit
- Comfortable studio apartment with private bathroom (465-497 sq. ft.) for \$1,150 monthly rent
- Building amenities include: library, café, fitness center, golf simulator, roof top patio, lounges and access to the community dining room
- Apartment amenities include a full kitchen with granite counters and stainless steel appliances, in-unit washer and dryer, floor to ceiling windows
- All utilities included and internet provided in each apartment
