Letter from our Executive Director

Hello residents and families,
I hope this correspondence finds you all well and staying cool. It sure has been a hot summer so far, but we have tried to make the most of it. Popsicles and sweet treats on the porch have been a huge hit this past month and the hot temperatures have not kept us from having fun. August will bring more of the same, in addition to Elvis week and many other things Paula has planned. I hope that our families are visiting our Facebook page and seeing all the smiles and fun we have each day. I am so appreciative of our staff who work so hard each day to enrich the lives of our residents. I know they go above and beyond to make our residents happy. If you feel like there is a staff member who deserves extra recognition, please see me, Michelle, or Robyn and we can tell you about our Arcadia Way program and how you can nominate a staff member.

STILLEY**

Continued from Jennifer

Thanks to everyone who attended Family Night. I hope that you found it helpful and informational. If you have thought of any questions since, please stop by and discuss them with me. I want everyone to be at ease as we transition to offering more medical services. As I said on Family Night, this is a good thing that will allow residents to live with us longer.

We are already planning for the fall and winter, before we know it, Halloween, Thanksgiving, and Christmas. We look forward to all the fun things Paula has planned for us. No matter what we are doing, there will be laughs, smiles, and fun. As always, thank you for all you do to support Stilley House and for sharing your loved one with us!

All the best, Jennifer Brown

Celebrating Elvis Week August 12-16

Monday – Flaming Star Day: wear yellow or orange or stars

Tuesday – Jailhouse Rock Day: wear black and white

Wednesday – Love Me Tender Day: wear red and/or pink and hearts

Thursday – Viva Las Vegas Day: wear your glamorous silver and gold

Friday – G.I. Blues Day: wear blue or Army green

BINGOCIZE at Stilley House

Stilley House residents have been selected to participate in a health program that integrates exercise and health education (nutrition and falls prevention) into an exciting and fun game of BINGO! The Marshall County Health Department will serve as the host of the 10-week program on Tuesdays and Thursdays at 1:30 p.m. in our Great Room. We will have a BINGOCIZE kick-off and introductory session on Tuesday, August 6th at 1:30 p.m., and regular sessions will begin on Tuesday, August 13th. We hope you will join us for this exciting new opportunity to improve our minds and bodies, as we win prizes!

Notes from Jennifer on the new Medical Model

As I mentioned before, thanks to those who were able to attend Family Night. If you were not able to attend, I wanted to provide a brief overview. As I noted in a previous correspondence, Stilley House will be making a transition to a more medical model. Not skilled care - but more than we have been able to do in the past. The biggest change will be medication assistance versus medication administration. At Family Night, we introduced our preferred pharmacy, Synchrony Pharmacy. While NO ONE will be forced to switch pharmacies, we will have a preferred pharmacy. We believe the services Synchrony offers will be the best choice for our residents and staff. Their services will help us limit medication errors. And they are open 24 hours a day, 7 days a week, 365 days a year. That aspect alone was so important as our facility is 24/7/365. Much more information will be coming to our families, but please reach out any time you have any questions!

~Jennifer
