SEPTEMBER REFLECTION

Celebrate October and Active Aging Week! October is a month of change and reflection, making it the perfect time to celebrate Active Aging Week, an annual event that highlights the importance of living well at every age. Held during the first week of October, Active Aging Week encourages older adults to embrace wellness through physical activity, social engagement, and lifelong learning. Whether you're taking a nature walk, joining a fitness class, or exploring a new hobby, it's never too late to stay vibrant, connected, and empowered!

ASSOCIATE SPOTLIGHT:

Congratulation to Denise, our team member of the month! Denise started at Waltonwood Providence 10 years ago in our Housekeeping Department and quickly moved to Laundry. Her favorite part of working here is our residents and other team members. Denise loves soul food. Something you may not know about Denise is that she loves to drive a bobcat and cut down trees. She calls herself a country girl. Her bucket list item is to travel the world. Thank you for all you do for Waltonwood Providence. We are lucky to have you!

TRANSPORTATION INFORMATION

Almost! We are moving along with our renovations. Paint and wallpaper are due for one more call back to touch things up, but we have completed the bulk of their assignments. We are going through the challenge of laying new flooring, but everyone has been very accommodating. Thank you, Pico, and crew for making the meal deliveries as smooth as possible. Thank you, Chris, for pushing them to complete in one day. As I walked through today, I saw a few things here and there that will need to be done before we finalize, but again it is getting close. New furniture will be arriving soon. I have heard from a few about certain pieces, but please let us know if there is something in particular you may want. Many of our pieces will be sold at very good prices. It's hard to believe but I just heard our Life Enrichment team make mention of putting Fall decoration up. And what was even harder was the discussion I had with Santa's Helpers about getting our Holiday light's up. Looking forward to the Holidays and football, and with my team's lack of success, the soon to be basketball season.

I may have put this in last month's newsletter, but its is certainly worth repeating. I wanted to give a shout out to everyone who helped us succeed in a deficiency free survey by the state! It was a team effort, but Chandra and Brittany and their crew led the way. It is why we do what we do!
