"I Have been a resident of Holton Manor three times. One time in 2022 in rehab, one time in 2024 in long term 1 for rehab, and now in 2025 as a permanent resident. Originally, I planned to go home but when my husband unexpectedly passed away, and based on my previous stays, I decided to stay permanently. The staff here is so caring and efficient. I feel so well taken care of and I don't worry about anything. Therapy is extraordinary, activities are always challenging, and the food is always interesting. Housekeeping is top notch. Currently, I am private pay, but at some point, if I need to go on Medicaid, I know Holton Manor will not evict me. This gives me a sense of security to know my final days will be here and I will be kept comfortable. I thank all the staff and especially our wonderful administrator, Alyssa". Eileen V
