Important Info for the Month

Clubhouse Construction: For 8-10 weeks starting January 5th, the clubhouse will be under construction as we are replacing all of our fire sprinkler pipes in the attic. During this time, we will have limited activities that will be housed in apt. 27102. All of the events on the calendar (Mon. - Fri) will be in that vacant apartment. The door will be unlocked every morning and locked every night. We will have tables and chairs already in that apartment to use for fitness classes, card games, or jam session.

Since the construction team will not be working on Saturdays, those events will still be in our clubhouse.

We will still be working out of our office, so you can come up if you have questions, need to pay rent, or place a work order like usual.

1/22 - Lunch & Tour of Denton in Van: On Thursday the 22nd, we will be taking a 12 passenger bus to lunch on the square and then a guided tour of Denton. The tour will be about 1.5 hours and will have minimal walking. We will be leaving at 12pm and returning around 3pm. It is a free event, but only 12 spots are available, so please sign up in the clubhouse and it is first come first serve for sign ups. Please be sure you can come before you sign up.

Upcoming Resident Craft Sale/Fair: On Saturday, March 28th we will have a resident craft fair and sale. So if you would like to participate, please let the office know so we can have an idea on the number of "vendors".
