Love and Be Loved

"How you love yourself is how you teach others to love you." —Rupi Kaur

Smitten With Gloves

Gloves have long been associated with romance. Knights were said to carry the glove of a sweetheart in their helmets to bring them good luck. In Victorian England, a suitor would gift a pair of gloves to the girl of his dreams, who'd wear the gloves in public if she returned his affections. And a Latvian tradition calls for brides to fill a hope chest with hundreds of handmade mittens as a sign of devotion.
