## Christmas at Regency on Whidbey Wrap-Up

The holiday season is always such a busy time of year at Regency on Whidbey. It always takes a couple months to settle back into a normal pace in the new year. This past year was no exception!

Residents were visited by musical groups like the Iversons and the Oak Harbor High School Jazz Band. Special meals and parties took place, including our annual employee Christmas raffle, and Resident Bob Burke's annual Christmas Party. Gifts and cards came, not only from family & friends, but from groups within our community. Christmas activities such as show-n-tell, story time, build a snowman, and light drives were scheduled. And, of course, Santa himself paid us a visit!!

Here is a final wrap-up of the special events that filled our holidays with so much cheer!

Regency on Whidbey would like to congratulate Megan Rivers on her promotion from Med Tech to Assisted Living Resident Care Coordinator.

Megan was born and raised in Oak Harbor, except for five years when her family lived in Naples, Italy. She recalls loving the time she spent overseas, but the family returned to Oak Harbor when she was in high school.

Megan says that she has always enjoyed spending time with older adults, and remembers frequently visiting a care facility with a family friend when she was eight-years-old. Later as part of her high school coursework, Megan did an internship at Home Place in Oak Harbor.

Upon high school graduation, Megan would return to Home Place as a Health Care Aid. Later, she worked at Regency on Whidbey Memory Care. She resigned in 2020 in the midst of Covid after the birth of her son.

During this hiatus, Megan worked at a children's daycare, and although she loved it, she found herself missing elder care. She returned to Regency on Whidbey two years ago as a Caregiver, and was quickly promoted to Med Tech where she excelled in Resident Care.

We are so pleased that she has accepted the position of Assisted Living Resident Care Coordinator. Her years of experience and existing knowledge of Residents, as well as operating systems are a tremendous asset.

When not at work, Megan devotes her time to her children Noah and Ryker. She enjoys cooking, crochet, shopping and spending time outside.

Congratulations, Megan!!

*Thank you to all the Residents and their Families, who so generously gave to our Employee Holiday Fund.*

*Thanks to your generosity every employee at our facility received a well-deserved Christmas gift.*

*Thank you for brightening our holidays!!!*

While we focus on our Employee Fund during the Holidays, even referring to it as a "Holiday Fund", it is really so much more! Every year, some moneys are reserved for other Employee benefits.

On their Birthdays and work Anniversaries, Staff receive a card with a monetary gift from you, the Residents.

We also use Fund money to order pizza or other snacks for Staff.

Managers can use the Fund to take Staff to lunch or dinner as a thank you for their hard work.

Most importantly, the Fund is used as an Emergency Fund for Employees. If a Staff member has an unexpected financial expense or an emergency, they can request a small loan from the Fund to cover that cost.
