## A Note From The Administrator

Hi everyone, my name is Carmen Clark, and I'm really excited to be here as the new

10-year-old daughter, Kylie, and I have two stepchildren and four grandchildren who keep life full and busy in the very best way.

Fun fact about me: our household is a bit of a mini-zoo. We have two dogs, seven chickens, and a bearded dragon, so there's never a dull moment at home!

As I step into this role, my main goal is to listen, learn, and work alongside all of you. My door is always open, and I truly believe the best care happens when we support one another and communicate openly. I'm really looking forward to getting to know each of you and being part of the Edgerton Care Center community.

Thank you for welcoming me—I'm excited to be here.

**Warmly, Carmen Clark

Administrator at Edgerton Care Center. I truly appreciate the warm welcome I've already received—it's meant a lot as I step into this role.

I've always been drawn to skilled nursing because it's such meaningful, personal work. Building relationships, caring for others, and making sure residents feel safe, respected, and truly at home is something I genuinely care about.

A little about me outside of work—I love traveling and cooking, especially with my daughter and friends. I'm a proud mom to my

## Resident Spotlight: Andra

This month, we are shining the spotlight on Andra, a vibrant member of our community with a fantastic story to tell.

Originally born in the beautiful state of Colorado. She learned the value of hard work early on, starting her very first job as a waitress. That experience in a busy restaurant likely helped develop her sharp mind and quick wit! When she isn't socializing, you can usually find Andra diving into her favorite hobbies. She is a true whiz at puzzles and crosswords, always enjoying a good challenge

that keeps her thinking. If there is music playing in her room, there is a good chance it's 50s Rock and Roll; she still loves the energy and rhythm of those classic hits. When it comes to dining, Andra keeps it classic—nothing beats a big plate of spaghetti in her book! We also asked Andra if she had any words of wisdom for the younger generation. Her advice was simple, practical, and perhaps the most honest tip we've ever heard: "Take care of your knees!" We are so glad to have Andra's bright personality and a clever sense of humor as part of our family here. Be sure to say hello the next time you see her working on a puzzle!

# February Highlights: Love and Community

February was a month filled with new beginnings and wonderful company. We are so pleased to officially introduce two new faces to our leadership team: ..., our Social Worker, and ... in HR. Both have already hit the ground running, and we are lucky to have their expertise and energy on our side. Please join us in giving them a warm welcome as they settle into their roles. Our "Pal"entine's Day celebrations kicked off the month with a focus on the wonderful friendships we share here. The party was made even better by some truly local treats. We were treated to world-class squeaky cheese curds donated by Dam Paradise in Indianford, as well as a batch of Kacy's famous, delicious cookies. It was a perfect afternoon for snacks and socializing. As well as Scentsy lotions facilitated by Marisa Walton. We also enjoyed a great deal of community spirit through our intergenerational programs. A local

5th grade class spent time with us making handmade soap, which was a fragrant and fun way to spend the afternoon. We were also touched by the kindness of the Renegade's 4-H group and the High School Student Council, who both took the time to create beautiful, personal valentines for our residents to enjoy. Of course, the building was really rocking when Elvis (the talented Alan Graves) made his appearance. He brought the house down with his performance, filling the room with classic hits and plenty of nostalgia. It was a high-energy highlight that everyone tapping their toes and sang along. Looking ahead to next month, we have plenty of creative fun in store. We will be spending more time in the kitchen with new baking activities and getting our craft supplies ready for some special birthday-themed projects. We can't wait to see what March brings!
