UPCOMING EVENT HIGHLIGHTS

The month of March was named after the Roman god of war, Mars. The beginning of March might be like a roaring lion, but the weather shall soon be as gentle as a lamb. As we march into March, there are so many activities to partake in. We start the month off with our annual Read Across America Day at Ashburn Elementary. This year our theme is Celebrating a Nation of Diverse Readers. Loudoun County Sheriff's Office is bringing some K-9 dogs for a fun educational presentation. Don't forget to "spring" forward for Daylight Saving Time so we can have more daylight hours of fun. If you're a movie buff and you enjoy watching the Oscars, you don't want to miss the history of the Academy Awards and Oscar Power Couples Photo Trivia. Everyone's Irish in March so be sure to wear green and join us for our many St. Patrick's Day themed activities. Taste of Waltonwood is back with visitors touring and trying some of our delicious favorite foods made by our outstanding chefs. New prospects will be greeted by our fabulous ambassadors who will share how much fun it is to live at our community. Let's get the party started as we cheer wildly for college basketball during our March Madness Happy Hour House Party. Life is good at Waltonwood.

ASSOCIATE SPOTLIGHT

Congratulations to Kenneth Luckey for being selected Employee of the Month! "Luckey" was chosen because he goes above and beyond.

"Luckey" is from Dallas, Texas. After attending Texas A & M University, he served in the Army for 20 years. Luckey was stationed in Desert Storm from 1990-1993. He was honorably discharged as a Sergeant Major.

Luckey is very customer service oriented. He doesn't hesitate to jump in to help all departments no matter what, and does it with a smile. Luckey is very personable and has a great rapport with the residents. He loves coming to work and interacting with the residents and the staff.

Luckey moved to Virginia 20 years ago. He has seven children (five girls and two boys) and twelve grandchildren. Luckey makes it a point to see his grandchildren every day, stopping by on the way home, just to check on them to see if they are okay and if they need anything. In his spare time, Luckey enjoys spending time with his family watching movies and going to the arcade and even playing paint ball!

FEBRUARY HIGHLIGHTS

FOREVER FIT: Rest & Recover

We know how important diet and exercise can be to our overall health, but did you know there's a third factor just as crucial? The rest we get, in particular the sleep we get lays the foundation for how our bodies recharge and repair. Aiming for 7-9 hours a night of shut-eye can improve your immune system, help lower the risk of heart attack and stroke, reduce the risk of dementia and promote healthy weight management. This March aim for better bedtime habits. Put down the book, unplug from your phone and TV and make sleep a top priority to help improve your overall health and wellbeing.
