What's Happening

We are doing some remodeling! We have repainted our lobby, and now working on the halls and north rooms!

Laundry Reminder:

If you purchase clothing for a loved one, it is especially important that laundry staff labels the clothing with the resident's name. PLEASE bag the added items up and put a tag on it to be labeled with the resident's name. Give the bag to the receptionist and she will place it in the bin. Any questions, please ask a staff member.

Good News: Therapy Success

After a recent hospital stay, Larry came to our short-term rehabilitation program needing assistance with transfers, walking, and daily activities. Like many individuals beginning rehab, the road ahead required determination, patience, and hard work. From day one, Larry brought a positive attitude and a warm smile to every therapy session. Working closely with our Physical Therapy (PT) and Occupational Therapy (OT) teams, he fully committed himself to the rehabilitation process. Whether practicing safe transfers, building strength and endurance for walking, or regaining independence with daily tasks, Larry consistently gave his best effort. His motivation and perseverance truly paid off. Over the course of his stay, he made steady progress, achieved his therapy goals, and regained the skills needed to safely return home. We are proud to celebrate Larry's successful discharge home, where he will continue therapy services and has the support of a close friend to encourage him along the way. His hard work and positive spirit were an inspiration to both staff and fellow patients. Congratulations, Larry, on this wonderful achievement! We wish you continued strength and success in this next chapter of your recovery.
