Honoring Their Past - Securing Their Future

What is the *Fountain of Love*?

The *Fountain of Love* was created to be an ever-flowing source of funds to provide financial assistance to people living in a Methodist Home.

What does the *Fountain of Love* do?

Provides hope to people in a Methodist Home who find that they no longer have sufficient financial resources to continue paying their entire monthly care charge.

How is the *Fountain of Love* funded?

By an endowment distribution and by donations, including the *Fountain of Love* offering, church gifts, memorials, bequests, and other gifts.

What difference does the *Fountain of Love* make?

In a 60+ year history, **no one has ever been asked to leave** a Methodist Home due to their inability to pay.

What people are saying about the Fountain of Love...

“Thanks so much to all you folks who arranged for Mother to receive assistance from your Foundation, ‘Fountain of Love’. You truly minister in Christ’s name. We were at the limit of our resources, but had been taking our cares to God. He answered through you all. You are a blessing to us and to our Mother.”

“Fountain of Love is a blessing to us. My Mother would not have been able to continue to reside at {community} without it. Thank you.”

“I received your ‘Life Changing’ letter with a sigh of relief, total joy, and so much appreciation... My mother, a lifelong Methodist, will also be forever grateful.”

“I am a pastor and I promote this offering where I serve. I pray that others will take a greater interest in the Fountain of Love offering and see that it gets done in all our churches.”

“Thank you for the assistance to my mother. At the age of 95 we have run out of her remaining funds. As still working ‘children’ we are truly blessed to have the Fountain of Love’s help.”

“My wife and I would like to take this opportunity to thank you and the Board for accepting Mother into the Fountain of Love Program. I’m so glad that we have found a Christian Home for Mother.”

“I have recently become aware that there is a need for scholarships to assist those that are financially less fortunate. My wife and I want the enclosed donation of fifty thousand dollars to go to the Fountain of Love...”
