### Sunstone Employee Update:

**Mike Brown** (new Maintenance Supervisor) started on 4/20. He has many years of maintenance experience specifically at senior living communities and we are excited to have him on our team!

**Jazmine** started as our new housekeeper in April and is very detailed and kind.

**Christian** is no longer on our maintenance team. We have been blessed to have him a part of the Sunstone family for the last 15 months and wish him all the best in his future endeavors. We are in the process of finding another maintenance technician to take his spot.
