Mothers Day Quotes to Laugh with:

"When your children are teenagers, it's important to have a dog so that someone in the house is happy to see you."

"The quickest way for a parent to get a child's attention is to sit down and look comfortable."

"If your kids are giving you a headache, follow the directions on the aspirin bottle, especially the part that says, 'keep away from children'." "Silence is golden. Unless you have kids. Then silence is just suspicious."

"There are three ways to get something done: do it yourself, hire someone to do it, or ask your kids not to do it."
