## SPRING CRAFT SHOW

Our very first Waltonwood Main Craft Show was a huge success! We were thrilled to host more than 26 incredible crafters and proudly showcase one of our very own team members, Belinda. Thank you to everyone who attended and helped make this event such a memorable experience. We can't wait to do it again — see you all next year

# MAIN CONNECT

JUNE 2026

## Monthly Reflection

May was filled with wonderful memories, lively celebrations, and plenty of sunshine at our community! Residents kicked off the month in style during our Kentucky Derby celebration, complete with a festive hat fashion show that brought out everyone's creativity and flair. As the weather warmed up, we took full advantage of the beautiful spring days by spending more time outdoors, enjoying scenic walks and fresh air with friends and neighbors. We also celebrated Mother's Day with a delicious brunch buffet shared among family and loved ones, creating a warm and joyful atmosphere for all. To top it all off, residents had an exciting outing to cheer on the Detroit Tigers, making for a fun-filled day of baseball, laughter, and hometown spirit.

We are looking forward to an equally exciting June as we welcome the start of summer! Father's Day will be celebrated with a special BBQ dinner buffet, and we encourage everyone to RSVP their guests early so they can join in the festivities. Residents can also look forward to a meaningful Juneteenth celebration as we come together to honor history, culture, and community. Summer officially begins this month, and we're ready to celebrate the season with sunshine, outdoor fun, and our first Concert in the Courtyard on June 24th — an event you won't want to miss! We're also excited to launch our new Billiards Club, which is a great opportunity to learn something new, enjoy friendly competition, and connect with fellow residents. We encourage everyone to come join the fun!

# FOREVER FIT: ALZHEIMER'S & BRAIN AWARENESS MONTH

June is Alzheimer's and Brain Awareness Month, an annual observance raising awareness on Alzheimer's disease and other dementias. For years, the Waltonwood family has partnered with the Alzheimer's Association to support the mission of a world without Alzheimer's and other dementias. While there still may not be a cure, taking proactive steps and developing healthy lifestyle habits have been shown to slow the onset of the disease and delay its debilitating effects. Much like heart health, cognitive health can benefit greatly from increasing physical activity and exercise, eating a well-balanced nutrient rich diet and effectively managing stress. It's never too early or too late to start taking better care of ourselves and small changes today can help lead to healthy years to come.

## EXECUTIVE DIRECTOR CORNER

With Memorial Day in the books, we can officially say "summer is here." Summertime in Michigan is one of my favorite seasons of all. Personally, I enjoy being outside as much as I can to soak in the beautiful sunshine! Activities like golf, biking, grilling, being on my boat, and even lounging by the pool are some of my favorite things to do. I encourage everyone to get outside this summer, and take advantage of our beautiful Michigan weather! I would like to extend a friendly reminder to all our residents and families regarding written testimonials and reviews of the community. As we continue to grow our Waltonwood Main family, positive feedback from our residents and guests are a critical piece to our community development. I ask all our residents and families to take a few moments and leave our community a google review! We also would love some volunteers to write a testimonial that we can put up on our website for future residents to read about your experience with Waltonwood Main. We thank you in advance for the kind words and support of our amazing community!
