

The Willows Memory Care - Holistic HarborsSM Rates **Memory Preservation Enrichment Program at Keystone Commons**

The Holistic HarborsSM Transitional Memory Care program at Keystone Commons is designed specifically for those residents who are in the early-mid states of dementia and allows a resident to keep their independence. We focus on connection rather than loss, and provides a secure setting for residents with memory and other cognitive challenges, opportunities to thrive through evidence-based enrichment experiences.

- Innovative programming designed to engage residents in purposeful activities
- A secure environment designed for familiarity
- Encouraged to join Assisted Living activities and socialize with others in the community.
- Private apartment-style living
- Health and wellness monitoring by a nurse
- Trained care associates available to assist with daily routines 24 hours a day, seven days a week
- High staff-to-resident staffing standards
- Three (3) meals per day with emphasis on nutrition and attention to specialized diets, including MIND Diet selections that promote brain-health
- Snacks and beverages available 24 hours a day
- Emergency response system
- All utilities (except personal phone service)
- Weekly housekeeping, linen and personal laundry service
- Scheduled transportation to medical appointments and recreational outings
